

Dear Friends at Ballwin Baptist Church,

Summer is here and people everywhere are busy planning vacations, however, for a child living in East St. Louis that doesn't happen too often.

But thanks to your gift of **\$104.00** CAC kids are being loved and hugged by volunteers and staff as they participate in recreation, music, Bible teaching, drama classes, Marshall Arts, and VBS!

We are tremendously grateful that you stand alongside us as we watch these children grow in body, mind and in the knowledge of how much Jesus loves them!

Gratefully yours,

Rev. D. Chet Cantrell
